***ATTENTION (IV ANESTHESIA)
SURGERY PATIENTS***

***Do not have anything to eat or drink
at least 8 hours prior to surgery!***

**CAUTION
DO NOT DRIVE**

*You will not be able to drive yourself home. Be sure
to have a responsible adult who can remain here
during the procedure to take you home.*

PRE-SURGICAL INSTRUCTIONS

PLEASE, FOR YOUR OWN SAFETY, DO NOT HAVE ANYTHING TO EAT OR DRINK EIGHT HOURS PRIOR TO YOUR SURGERY! IT IS CRITICAL YOU HAVE AN EMPTY STOMACH FOR THE PROCEDURE SO PLEASE COMPLY WITH THIS REQUIREMENT.

This includes breakfast, coffee, water, and gum.

FAILURE TO COMPLY WITH THIS REQUEST WILL RESULT IN HAVING TO RE-SCHEDULE YOUR SURGERY.

Patients who take daily medications may take them as scheduled with a sip of water.

TRANSPORTATION

You will not be able to drive yourself home. Be sure to have a responsible adult who can remain here during the procedure to take you home. We are unable to allow you to take an Uber home alone after the procedure. You will need someone to be with you for 24 hours after surgery. Plan on resting the entire day after surgery. Wear clothing that is loose-fitting and comfortable. We will need access to the entire left and right arm. A Non-white T-shirt is preferred.

PAYMENT

All payments for surgery are DUE PRIOR TO SURGERY! If there are any billing questions, please contact our office prior to your appointment.

TOBACCO USE

Due to wound healing complications, we request that the patient not smoke or vape for the entire week prior to and the entire week after surgery. Smoking/vaping will compromise and/ or delay healing. This includes marijuana use.

PATHOLOGY PATIENTS

All specimens are sent to Kentucky Pathology or LSU Oral Pathology for diagnosis. This fee is separate and will be billed by Kentucky Pathology or LSU Oral Pathology. To maintain patient privacy, cell phones are not permitted in the surgery or recovery area.

Ask about cosmetic procedures offered such as:

- Botox
- Fillers
